Greetings from the Graminia Executive

With the fantastic weather we've been having, it's hard to believe fall is here!

It's been a busy summer at the hall! The purchase of new tables and an event barbecue for our renters, basement make-over and playground update are just a few of the things we've been up to.

And the fall will be just as busy, with the addition of an outside storage shed and the start of our project to make the hall fully wheelchair accessible.

We have a lot of events planned for the next few months. We would like to make it clear that

EVERYONE IS WELCOME!

There is no need to be a member to attend one of our events, and we'd love to see you!

Finally - Thank You does not begin to express the gratitude to all the families who gave their time and energy over the summer to make Graminia an even better place! It's a fantastic group of people and hopefully you will all get a chance to be a part of it soon!

Cheers!

A Message From The President

Welcome back students and parents! I hope summer treated everyone as well as it did us! I am really looking forward to the 2013/2014 school year and excited for what Miss Katy has in store for the students (and parents). We had a look at the themes and special events Miss Katy scheduled for the entire year and it sure looks like we have some of the luckiest playschool kids around. What fun!

We welcomed Miss Katy mid-year last year and am pleased with the energy, enthusiasm and time she has put into both the playschool and the Graminia Hall. She continues to go over and above her call of duty as the teacher. The students adore her and I am confident my daughter and son, and your kids too, will have the best possible playschool experience. I am very thankful as the President as well as a parent, to have Miss Katy at our school and look forward to her energy for many years to come.

This year we have two classes. I will be challenged with communicating between these two groups and hope that I can bring everyone together so that we can continue to maintain the sense of community that has already been established. I look forward to future meeting and events to get to know new parents as well as spend time with returning parents.

Kyla Belter,
President
Rainbow Playschool
