Greetings from the Graminia Executive

After a long, cold winter - SPRING is finally here!

As you can see, we have a shortened newsletter this time. In the interest of cost and the environment, we are trying out the newsletter strictly online this time.

The newsletter will be available on our website. If you would like a copy emailed to you, please include your email address with your membership fee and we'll make sure to add you to our list.

If you've been to the hall lately, you'll see many changes. The wheelchair ramp and accessibility project is complete. The playground is in use with a few more things to finish and the basement renos are coming along nicely.

We can't do it alone and we would love to get to know more Community Members. If there is some way you would like to contribute, we welcome you!
